

**Humboldt Curriculum Cycle
Annual Reflection for 2017-18
CTE**

Date: 5/15/18

Team Facilitator: Tom Johnson

Content Area: CTE

Identify this year's focus in any of these areas:

CTE Redesign: Program of Study update and program evaluation With the new redesign each department of the CTE will be evaluated once in a five year cycle. Part of the evaluation involves the program of study. The CTE team spent our time this year working on updating our programs of study and learning about how the new evaluation process will work. The Ag-Ed department and the Health Science department will be the first departments to go through this process in 2018/19.

List any new learning:

The process on how departments will be evaluated will be done is completely new. It will be a new experience for all of us as we go through this the first time.

Highlights of tasks/accomplishments/products created/materials adopted:
