RE: Superintendent

The Humboldt Community School District is excited to announce Mr. Jim Murray as the new Superintendent for our district. Jim's authenticity, educational experience, community mindedness and his preparation really made him an excellent choice. There was a total of 21 full applications and four incredibly talented finalists. Mr. Murray will be actively involved with the hiring of our administrative team and will officially begin his duties on July 1, 2020.

The board would like to express our sincere appreciation to Mr. Jeff Herzberg for his extraordinary service of organizing and administering this process for our district. We would also like to extend our deepest gratitude to the many individuals, including the Twin Rivers Board of Education, that were part of the selection process. The input from the five interview committees was helpful and provided excellent insight to the strengths and best fit of the finalists.

Thank you for all the community support. It is with great anticipation that we look forward to Mr. Murray's leadership to guide our district into a bright future.
