

The Thundercats Baseball & Softball Association is a travel experience offered to youth players in the Humboldt area. The program was created to provide a higher level of competition for motivated Humboldt area players with a commitment to the improvement of their skills in a team focused environment.

All interested players should attend one of the player evaluation dates below. Depending on the interest shown, we hope to have 1 or 2 teams for each grade level. Participants will be placed on a team based on skill level. We will hold tryouts for new grade levels each year going forward to open up the evaluation and selection process for the teams. For softball, since it will be new this year, we will hold evaluations for all interested players in all three age levels.
