Requirements of the program

- The *Silver Cord Award* is a distinguished service award available to Humboldt High School students who earn at least 400 hours of community volunteer service from the start of their freshmen year through May 1 of their graduating year. At the Senior Awards program in May, recipients will receive a silver cord to wear on their robes at graduation in recognition of their achievement. Those moving into the district after the start of their freshman year may have hour requirements pro-rated.
- Volunteer service hours are pro-rated from the beginning of your time at HHS. You must complete 400 hours by graduation.
- **Pre-Approval:** Approval is recommended prior to the service activity and must be submitted each school year for ongoing activities. (Please see attached form.) This prevents any misunderstanding of qualifying hours. Students may not appeal the validity of hours without the signed form which was processed before the service activity in question.
- **Documentation:** Students must document all service activities on the *Silver Cord Award* Form – one form for each site or project, signed by the supervisor at the site. Time for breaks, lunch, or travel cannot count toward service hours. Forms should be submitted to the high school principal on the first day of each month for ongoing activities or within 30 days of the completion of other activities. Seniors must submit all *Silver Cord Award* forms/documentation by May 1st of their graduating year.

- **Summer service:** Service hours earned during the summer after the academic year may be applied toward EITHER the prior or following school year – student’s choice. (For example, hours earned the summer after freshmen year can apply toward either the freshman or sophomore 100 hour requirement.) For incoming freshmen community service hours would start after completion of their 8th grade year. Incoming freshmen can earn hours the summer prior to the start of their freshmen year. Students should pick up blank *Silver Cord Award* forms before the end of school to use for documenting summer service. Summer hours begin the day school is dismissed for the summer break and end the day before the first day of school. Completed Award forms for summer service are due to the high school principal by September 1st.
- **Acceptable and non-acceptable service activities:** Silver Cord hours must be for providing a SERVICE or meeting a clear NEED for a non-profit agency, church, school, park, charity program, charity program fundraiser or community event. The service should be ‘above and beyond’ one’s usual scope of involvement. Some examples of activities that would not be considered acceptable service are: Sports team managing or training, rehearsing or working from home. Camp counselors may receive eight hours per day for service.
- **Religious service:** In order to be applicable to a student’s Silver Cord hours, an activity may NOT be directly involved with the rituals, services, or ceremonies of any specific religion (i.e. singing in the choir, candle lighting, reading from religious texts, altar service, etc.) Accepted religious activities include, but are not limited to: Teaching Sunday or Vacation Bible School, leading youth groups, babysitting during religious services, working on sound crew, or recording/videotaping a service or mission trips.
- **Silver Cord hours cannot be:**
 - to satisfy a class or requirement/obligation
 - court mandated community service
 - for a relative
 - for pay or compensation of any kind
 - any time school is in session
 - travel to and from volunteer activities
- **It is important to remember:**
 - Not all good deeds are community service.
 - Not all community service will necessarily be recognized for the Silver Cord Program.
